Well as you always say to me:
What does it matter? I think you
look amazing at your worst. But
it took a lot for me to even try
that I'm not good with pda. I do
try it but it's one of my flaws. But
as I keep saying when I get a
nice day with you I will put
summat on. I only ever put
pictures on I never just have a
status (unless summat fuck
hilarious happens) X
